WORK EXPERIENCE LETTER

To:

Muhammad Tamran Shahid
Samundri punjab,Pakistan

Dear Muhammad Tamran Shahid,

TO WHOM IT MAY CONCERN

This is to certify that **Mr. M Tamran Shahid** has been working with **OBERATEC BCN 2020 SL** as a Software Developer from **January 12, 2025 to Present** on remote basis.

During his employment, he has demonstrated excellent technical knowledge, dedication, and professional behavior. He has actively contributed to multiple software development projects and has shown strong skills in backend development, mobile applications, and AI-based systems.

His major responsibilities include:

- Development of AI-powered Face Recognition Attendance Systems
- Integrated with mobile and web applications.
- Backend Development and API Integrations
- ERP & POS System Development
- Mobile Application Development using Flutter
- Database Management and System Optimization

Mr. Tamran Shahid has consistently performed his duties with sincerity, creativity, and professionalism. He possesses strong problem-solving abilities and works effectively both independently and within a team environment.

We appreciate his contributions to our organization and wish him continued success in his future career endeavors.

OBRATEC BCN 2020, S.L.
